## Afa Uralgae Tablets

Food supplement with Afa-Uralga

### Good to know:

The blue-green, wild growing Afa alga (Klamath-alga, *Aphanizomenon flos-aquae*) grows in the clean water in the middle of a nature reserve of the Upper Klamath Lake in Oregon/USA. The Upper Klamath Lake is one of the clearest and cleanest lakes in North America. The Afa alga grows mainly "wild" in excellent external conditions in especially mineral-rich spring water of volcanic origin.

**Ingredients:** Afa-Algae powder (100%)

Each tablet contains 250 mg of pure natural Afa-Algae.

	per Tablet	per daily dose (= 6 tablets)	% of the daily intake according to NRV*	per 100 g tablets
Afa-Algae powder	250 mg	1500 mg	**	100 g
Vitamin B12 from Afa-Algae	0,35 µg	2,10 µg	84	140 µg

\* NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

\*\* No reference value has yet been established

**Suggested use:** Take 1-2 tablets three times daily with sufficient liquid.

Keep out of direct sunlight. Store below 25°C

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle. Keep out of the reach of small children. The recommended daily dose should not be exceeded.

**Contents: 120 tablets = 28 g**

Art-no. 1428
